Mark The Appropriate Location, Orientation and Cant

Standard Draw

Cross Draw

By signing below you are signifying that the Location, Orientation and Cant are correctly marked and this is the configuration of the holster you have chosen. Cross Draw Holsters will produce the holster as indicated in this document and will not be responsible for any other configuration either verbally expressed or implied. Any changes to the configuration must be submitted prior to the production start date*. Thank you

Please Sign here

*Production start date is determined by the amount of work on and the availability of parts and props. Cross Draw Holsters makes every effort to provide service on a first come first serve basis. Once production has begun any changes to the configuration contained in this document will be at the cost of the client, and in addition to the original configuration cost.
